

Semester and Year: _____

Student's Name: _____

Academic Advisor: _____

DBMI Student's Semester Report (All Graduate Students)

Please fill out this form and present it to your academic advisor at the time of your advising meeting each semester.

1. Please list any papers that you have written, submitted, or had published since your last report:
2. Any special academic or research problems that you wish to bring to the attention of the departmental training committee? If so, explain.
3. Have you been having weekly meetings (either group or one-on-one) with your research advisor? If not, please explain.
4. Are you working outside of the academic and research requirements of the biomedical informatics degree program? If so, please list these activities and the approximate weekly commitment in hours for each. Working outside the Department requires advance approval from your research advisor, the Graduate Program Training Director, the Department and the University.
5. If you answered "yes" to #4, please indicate whether any DBMI or University resources are being used to support your outside activities (other than your standard email communication).
6. How would you summarize your plans for the coming semester:
7. What is your understanding of the source of your DBMI funding for the coming semester, if any:

Semester and Year: _____

Student's Name: _____

Academic Advisor: _____

8. Have you received any grades lower than a "B" in any subject other than research? If so, please explain. PhD and postdoctoral master's students are expected to receive grades of "A" in research each semester. If, as one of these students, you have received lower grades than "A" in research, please explain.

9. Do you have any special needs with which the department or school could assist?

For First Year PhD and Postdoc Trainees

10. Who is your research advisor? Have you narrowed down the possible research advisors for next semester? If so, who are they? Do you need any resources to assist you in making your decision? NOTE: Permanent Research Advisors must be chosen by May 15.
